Guest: Sylvia Lange

We are excited about our guest speaker today.

Sylvia Lange has toured and performed with many Christian greats, even having the privilege of sharing the stage with renowned Bible teacher Beth Moore. She has recorded five CDs, also regularly tours with the duo "Crimson Bridge" and teaches worship leaders and their teams how to be more effective on behalf of the church.

Not only will she share in song with us today/tonight, but she will candidly share her personal story of how God gave her a second chance after having blown it in life so badly. Her real heart is to help the listener get an understanding of how Jesus can turn their world inside out, if they'll only give Him every piece.

Would you please join me in welcoming... Sylvia Lange!
